630	636	M8 x 60	1,5	0,570

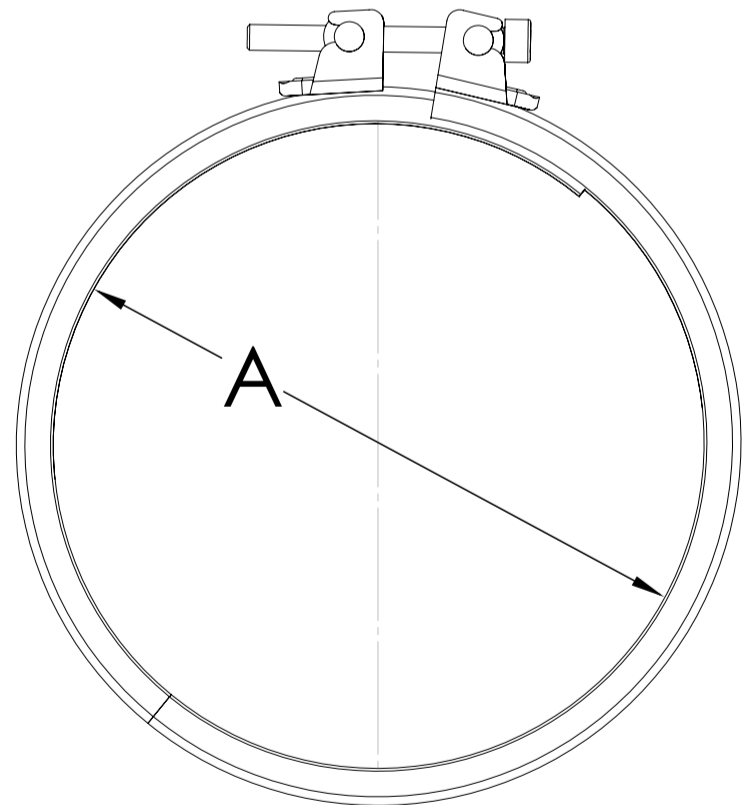

Versions in
steel 1.0038,
electrically galvanized
stainless steel 1.4301

i The single-part ESKATE clamping ring with integrated sealing insert is a classic and affordable pipe connection for light 1 mm pipe systems.

Note: The gasket can remain in the clamping ring during assembly and does not need to be removed.

i Very short lead times due to all year round availability from stock. Custom and non-standard factory sizes available on request

Minimum order value: Net goods value of 40.00 euros. The prices do not include VAT, packaging and forwarding. All dimensions in mm. All weights in kg. Subject to errors and alterations.

We would be pleased to advise you on your individual terms and designs. Just give us a call.
